

# WEST END LOCAL HISTORY SOCIETY

30 years ago, on 17th January 1996 at 12 noon, the C39 West End Fire Station was closed and operations were transferred to Hightown.

West End Museum and Heritage Centre have a new display dedicated to all the firefighters who gave their service to the community.

Our aim is to tell the story of the station and the many firefighters that served over its 56 years of being an operational fire station.

Please visit the museum and look at our display, especially if you have any knowledge or stories about the Fire Station - we are keen to build on the story and collect more information about the firefighters and the station for the benefit of future generations.

The Museum is Open Saturdays between 10am and 4pm and entry is free.
